9/29	Tom	Mohammad	Jeon/Aaron
10/06	Sumit	Meng	Pomerantz/Sumit
10/13	Meng	Andra	Lovely/Jayanta
10/20	Andra	Tom	Foss/Mohammad
10/27	Jayanta	Sumit	Jeon/Diego
11/03	Mohammad	Heather	Pomerantz/Tom
11/10	Diego	Aaron	Lovely/Meng

Thursdays, 9-11:30 AM in 112 CRB - All are welcome.

If you are presenting, please refer to the meeting guidelines for full instructions. Briefly, the members will give 30 minute Research and Literature presentations each week. A Faculty provided mechanism problem will follow the presentations. A student is assigned to work each problem during the meeting, but it is expected that all members will participate in answering the problem.
